

Divine Hands Medical Weight Loss Program

Program and Pricing

- **Medical Weight Loss**

Prescription Medication Managed by a Nurse Practitioner

The three components of Medical Weight Loss are:

- 1. Prescription medications**
- 2. Expertise and guidance of a medical professional**
- 3. Lifestyle changes (made easier by the medication and support)**

All new patients start with a meeting with a provider in person or virtually to create a personalized treatment plan.

- Personalized Treatment Plan
- Educational Information
- One Free Lipotropic or B12 Injection comes with your initial dose of any program you choose.

Payment is taken at the time of booking. Your payment will be refunded if you cancel the appointment with at least 24 hours' notice or if you are not eligible for any of our treatment programs.
